NARRATIVE

Quarles & Brady LLP (Q&B to our friends) has more than 430 attorneys practicing in seven offices across the country. In the 2010 American Lawyer Midlevel Associates Survey, Q&B ranked #92 out of 137 law firms and we ranked # 1 in Milwaukee. 152 of our attorneys are listed in the 2010 edition of The Best Lawyers in America and another 107 of our attorneys are extremely funny people although there is little overlap between those two groups because smart people are often humorless. Our firm has both of the essential ingredients to a wonderful law career: cutting edge work and wonderful people (check out our website on this point at www.careers.quarles.com). Working here is challenging but it is also a boatload of fun.

The Summer Associate program provides first-hand knowledge of the Firm's culture, clients, practice areas as well as our favorite coffee joints. Summer associates are given a variety of client projects and are also given the opportunity to observe our attorneys in action (i.e., depositions, hearings, client meetings, closings, etc.) We are committed to training and mentoring our summer associates and associates, and feeding them very well. Check out Q&B - we are as good as we sound!
