QUARLES & BRADY NAMED TOP PLACE TO WORK

MILWAUKEE – Quarles & Brady LLP today announced that it has been named a Top Workplace by *The Business Journal of Milwaukee*.

“Our people and our culture are what make our organization one of the top places to work,” said Ann Murphy, Managing Partner of the Milwaukee Office of Quarles & Brady LLP, which has 1,089 employees nationwide. “We are pleased to be recognized alongside other successful, employee-friendly area businesses.”

Some of the criteria that have established the Firm as a top employer include: cultivating a culture that promotes diversity; providing professional development opportunities for all employees; supporting and championing employees’ civic and pro bono initiatives; and celebrating the unique talents and skills of its attorneys and staff. Additionally, Quarles & Brady’s attention to work/life balance issues, flexible schedules including part-time and reduced-hour schedules and job sharing, as well as alternative career paths have helped the Firm become an employer of choice in Southeastern Wisconsin.

Quarles & Brady LLP also offers an extensive ‘total rewards’ program for its employees that includes competitive compensation for all positions, professional development opportunities, generous benefits packages, and performance and recognition tools. Employees enjoy generous insurance packages, and personal and medical leave. Attorneys receive 12 weeks of paid personal medical leave and six weeks of paid parental leave for new fathers (or either parent in the case of adoption). Other benefits include domestic partner benefits, a pre-tax dependent care plan, and time off to care for a seriously ill spouse, child or parent. Perks include on-site financial and investing seminars, health club reimbursement, a subsidized transit program and even chair massages.

Quarles & Brady LLP is a full-service law firm with more than 450 attorneys practicing from offices in Phoenix and Tucson, AZ.; Chicago, IL.; Naples, FL.; and Milwaukee and Madison, WI. The Firm offers an array of legal services to corporate and individual clients that range from small, entrepreneurial businesses to Fortune 100 companies.
