General Hiring Criteria Able to leap tall buildings in a... no wait, that is for our superhero opening. For lawyers, you must be smart (but not talk about it all the time), hardworking, energetic, motivated (that is not a code word for "cut-throat"), have lots of interests, enthusiastic, and have no significant enemies. Celebrity status a plus unless you are the loser in the Who-Wore-It-Best feature of a tabloid magazine.

## Organization Narrative

Quarles & Brady LLP (Q&B to our friends) has more than 500 attorneys practicing in ten offices around the country. In the 2017 edition of The Best Lawyers in America, 168 of our attorneys are listed and another 168 of our attorneys are extremely funny people although there is little overlap between those two groups because smart people are often humorless. Our firm has both of the essential ingredients to a wonderful law career: cutting edge work and wonderful people (check out our website on this point at [www.quarles.com/careers](http://www.quarles.com/careers)). Working here is challenging but it is also a boatload of fun.

The Summer Associate program provides first-hand knowledge of the Firm's culture, clients, practice areas as well as our favorite coffee shops. Summer associates are given a variety of client projects and are also given the opportunity to observe our attorneys in action (i.e., depositions, hearings, client meetings, closings, etc.) We are committed to training and mentoring our summer associates and associates, and feeding them very well. Check out Q&B - we are as good as we sound!
