

Angel M. Helland

Paralegal

Angel M. Helland is a paralegal in the Real Estate group. Angel has over 20 years of experience in commercial real estate, corporate and finance law. Her experience includes real estate documentation, commercial leasing, resolving title and survey issues, commercial condominiums and an array of complex finance related documentation.

Angel has assisted many clients in various projects, including the development and financing of complex hotel condominium developments and multi-use condominiums, large commercial real estate developments involving multiple investors, complex financial transactions for both the lender and the borrower, real estate due diligence, and the formation of numerous domestic and foreign limited liability companies and corporations.
