

Bailey Walden

Associate

Bailey Walden assists hospitals, hospital systems, practitioners, pharmacies, and prescription drug distributors with health care transactions and various regulatory and compliance matters, including those arising from the COVID-19 pandemic. Bailey has experience with the following issues:

- Telemedicine regulations
- Provider licensure and credentialing, including disaster and emergency practitioner privileging in light of the coronavirus
- Corrective action and peer review
- EMTALA
- Medicare Conditions of Participation
- HIPAA
- Centers for Medicare & Medicaid Services (CMS) blanket waivers for hospitals, critical access hospitals, and health systems, including but not limited to telehealth, EMTALA, and privileging waivers
- Provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act and Families First Response Act (FFRCA) that impact hospitals and health systems
- Federal and state pharmaceutical laws and regulations
- DEA requirements for controlled substance distribution and prescription dispensing
- Compliance with The Joint Commission Accreditation Standards
