

Benjamin A. Lockwood

Associate

Benjamin Lockwood is an attorney in the firm's Health & Life Sciences Practice Group and Data Privacy & Security Industry Team. His experience includes:

- Preparing and analyzing internal data privacy and security policies
- Drafting and revising HIPAA Business Associate agreements
- Assisting clients who have been affected by data breaches with investigations, incident responses, and notifications to individuals and regulators
- Helping clients navigate Medicare and Medicaid licensure requirements, including preparing and filing applications, researching various legal requirements, and communicating directly with state Medicaid offices
- Researching issues related to health care fraud and abuse
- Developing 50-state surveys on various topics, including state Board of Pharmacy actions and rule changes initiated in response to the COVID-19 pandemic

Ben was previously a winter associate and a summer associate with Quarles & Brady.
