

Josh R. Le Noble

Associate

Josh LeNoble focuses his practice on intellectual property law, particularly intellectual property litigation in patent, trademark and copyright disputes.

Prior to becoming an attorney, Josh managed budgets, schedules and project coordination as an Engineering Project Manager for Findorff in Milwaukee. He has experience managing a variety of construction projects, including commercial, residential, and roadway.

Josh gained legal experience working for a consulting firm writing briefs related to scientific issues, as well as conducting reviews of discovery files. Josh worked as a summer associate for Quarles & Brady in 2021 and continued on as a law clerk during his last year of law school.

Since 2017, he has been a dedicated marathon athlete. Josh is also a dedicated member of the community. He has done work with organizations including the Boys and Girls Club, Miracle League, and Autism Football Camps.
