Krystal Aspey Fleischmann is a partner in the Litigation and Dispute Resolution Group whose practice extends far beyond traditional commercial litigation matters.

While Krystal regularly advocates for clients across the country in cases, arbitrations, and mediations involving breaches of contract, real estate disputes, professional negligence claims, and fraud, her practice focuses on the prevention and resolution of consumer claims in all of their forms. She has defended clients from a variety of industries in state and federal courts in matters involving false advertising, state and federal consumer protection statutes, securities fraud, and RICO.

In addition to her litigation practice, Krystal actively counsels clients on marketing and advertising issues arising both in traditional media and on social media platforms.
