

Shamika L. Mazyck

Associate

Shamika Mazyck is an attorney in the firm's Health Law Group. Her practice focuses on assisting pharmacies, long-term care facilities, and acute hospitals with regulation and accreditation issues. She provides counsel on a variety of various compliance matters, such as Hospital Emergency Preparedness programs and compliance with OSHA regulations.

Prior to attending law school, Shamika was an Industrial Hygienist specializing in Environmental Consulting, and later worked in an acute hospital setting managing Occupational Health and Safety programs focused on meeting OSHA and the Joint Commission compliance requirements.
