

Shaylynn L. Veeder

Associate

Shaylynn Veeder advises a variety of health care providers and suppliers on a broad range of regulatory issues arising under Medicare and Medicaid and fraud and abuse laws, including Anti-Kickback, Physician Self-Referral, and false claims laws. She provides guidance on health information privacy matters, licensing issues, and health care regulatory due diligence in relation to transaction matters. Shaylynn also regularly advises clients on FDA regulatory issues and corporate compliance concerns.

Related experience

- Advises medical device manufacturers, physician practices, pharmacies, and skilled nursing facilities in fraud and abuse counseling
- Advises medical device manufacturers and health care practices in corporate compliance program development, implementation, and guidance
- Provides guidance regarding statutes and regulations related to the corporate practice of medicine, licensure, telehealth, and compounding matters
- Counsels clients regarding the SUPPORT Act's new all-payor federal anti-kickback law, the Eliminating Kickbacks in Recovery Act of 2018 (EKRA)
- Advises clients regarding FDA Form 483 Feasibility Study Program and radiation emitting products
- Reviews and advises on change of ownership requirements for provider and supplier contracts
- Manages client hospice and home health contracts with the US Department of Veterans Affairs
