About Bailey

Guidance on health care transactions, regulation and compliance

Bailey Walden helps clients with health care transactions and regulatory and compliance matters. Her experience includes telemedicine regulations, corrective action and peer review, the Emergency Medical Treatment and Labor Act (EMTALA), the Health Insurance Portability and Accountability Act (HIPAA), federal and state pharmaceutical laws and regulations, Medicare conditions of participation and issues related to COVID-19. Bailey's clients include:

- **Hospitals and hospital systems**
- **Practitioners**
- **Pharmacies**
- **Prescription drug distributors**

Experience in Action

- **Advises on provider licensure and credentialing**, including disaster and emergency practitioner privileging in light of COVID-19.
- **Handles Centers for Medicare & Medicaid Services (CMS) blanket waivers for hospitals, critical access hospitals and health systems**, including but not limited to telehealth, EMTALA and privileging waivers.
- **Counsels on provisions of the Coronavirus Aid, Relief and Economic Security (CARES) Act and Families First Response Act (FFRCA)** that impact hospitals and health systems.
- **Guides clients on DEA requirements for controlled substance distribution and prescription dispensing.**
