About Beverly

Residential and commercial real estate guidance

Beverly Zinn has worked on thousands of closings, both residential and commercial. Her experience includes:

- **Research for “highest and best use”**
- **Land-use analysis within city/county codes**
- **Commercial lease zoning analysis**
- **Title insurance and transaction coordination**
- **Financing**, including multi-million-dollar closings

Beverly deeply believes in real estate as an investment, whether it’s a single-family residential dwelling, commercial property or a multi-acre mixed-use property for development. She also performs with an energetic spirit on behalf of all her clients.
