## About Nathan

### Practical approaches to complex business challenges

Nathan Mathews is a business law attorney who principally represents closely held private equity and public companies on a range of matters. With clients in the manufacturing, automotive, food products and packaging, financial services and information technology industries, Nathan focuses on:

- **Acquisitions and divestitures**
- **Complex commercial agreements**
- **Outside general counsel services**

Nathan has a keen interest in understanding the operational realities of his clients' businesses and develops legal solutions that are both practical and align closely with his client's long-term business objectives.

Nathan is co-chair of the firm's Privately Held Businesses team.

### Experience in Action

- **Advising on acquisitions and divestitures.**
- **Negotiating and drafting complex commercial agreements.**
- **Serving as outside general counsel to large family-held businesses.**
