## About Sybil

### Paralegal support for bankruptcy and litigation matters

Sybil Taylor Aytch has over 20 years of paralegal and case management experience, with a focus on commercial bankruptcy and commercial litigation. She has been extensively involved in both debtor and creditor bankruptcy matters, as well as antitrust, multidistrict and information technology litigation. Sybil's experience includes:

- **Electronic document and discovery management and electronic trial preparation** employing case management software.
- **Extensive trial experience in electronic courtrooms**, including utilization of trial technology.
- **Serving as lead paralegal on one of largest successful tort litigation-related bankruptcy reorganizations.**

Sybil is committed to the firm's diversity, equity and inclusion initiatives.
